DATA PRIVACY & COMPLIANCE FOR THE INTERCONNECTED ENTERPRISE.

DATA BREACH IS EVERY RESPONSIBLE LEADER'S BIGGEST FEAR, BUT PROTECTING PERSONAL AND SENSITIVE DATA – AND ENSURING REGULATORY COMPLIANCE – IS A COMPLEX TASK.

Stay one step ahead with our automated governance, risk, and compliance (GRC) software solution.

WHAT YOU GET.

THE AIIMI INSIGHT ENGINE USES AI AND MACHINE LEARNING TO GIVE YOU FULL, EVERGREEN VISIBILITY OVER ALL ENTERPRISE INFORMATION, SO YOU GET ALWAYS-ON COMPLIANCE AND PRIVACY BY DESIGN.

Companies that deploy automated and AI-powered security measures identify and contain data breaches more efficiently, saving 80% in costs compared to other companies.

▶ **VISUAL DASHBOARDS** help you control and unlock the hidden value in your data.

▶ **AUTOMATED CLASSIFICATION** finds and identifies the exact files you need.

▶ **DYNAMIC INDEXING** keeps you in sync with your evolving data universe.

▶ **ADVANCED PATTERN MATCHING** alerts you to problem areas and behaviours so you can take action.
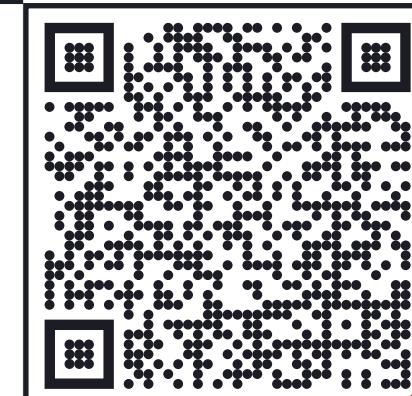

▶ **DATA MANAGEMENT** enables you to move, delete, or quarantine personal or sensitive data instantly.

▶ **AUTOMATED REDACTION** speeds up processes in responding to DSARs, RTFs, and case management.

AUDIT.
Find, audit, and protect your personal and sensitive data, including PII, PCI, and IP.

ACTIONABLE INSIGHT.
Data-driven insights alert you to risks and threats to sensitive and personal data, so you can take action.

COMPLIANCE.
Better manage personal data with fast, accurate, automated GRC and GDPR software.

HOW IT WORKS.
